So what's inside?

As safety is at the forefront of everyone's mind at the moment we start this new price list off with the extensive range of **Safety Accessories** BFT has to offer.

Secondly you will find our range of **Videx Intercoms**, including the brand new 8000 series which replaces the 800 series. We can also supply a wide range of Video, GSM and Wireless intercoms.

Next is our **Combi Arialdo** gate hardware range which is proving to be very popular.

Finally, there is all the other accessories we offer to complete your automation project from loop detectors to locks.

We believe this new price list is a great addition to our existing BFT Price List and accompanies the BFT General Catalogue.
